

# TAPE, RUBBER SPLICING 23 SCOTCH, 25mm x 9m BLACK

## Quick Overview

Linerless Rubber Splicing Tape 23 25mm x 9m Black

## Features

### 3M Tapes

#### 3M™ Scotch® 23 Linerless Rubber Splicing Tape

- 0.76mm thickness
- Self fusing rubber tape
- Temperature 90°C (continuous)
- Easy to remove liner
- Typical application: Primary electrical insulation for splicing cable from 600v to 69kV on all solid dielectric cables

## Details

Part No.	3M23-25
Brand	3M
Unit Of Measure	Roll
Carton Quantity	32
Compendium Page #	426
