32 AMP TWIN SCREW INS.CONN PK50

Part Number: C32A2

Features

- Heavy-duty insulated screw connectors for a max. of 2 x 6mm2 cables
- Available in one or two screw formats.
- Clear polycarbonate housing so termination can be visually checked
- Rated for normal 240/415V applications, 32 Amp
- C32A2 has a brass barrel with two steel screws

Insulated Twin Screw Connector 32 Amp

Heavy duty insulated screw connectors accommodate a maximum of 2 x 6mm- cables, and are made in one and two screw formats, the two screw being for the earth.

Insulated Screw Connector Features

- Clear plastic housing so that termination can be visually checked
- Soft plastic housing with no sharp edges for user comfort
- Nominal 32A rating, dependant on conductor loading
- Rated for normal 240/415V applications
- Supplied in handy screw top jars
