ARBOURS

ARBOR FOR H/SAWS 14-28MM

Unit: EA Qty: 1

Part No. HSAB1

- For use with our range of high speed bi-metal style hole saws for heavy-duty cutting of thin metal, stainless steel and hard timbers
- Standard screw in style arbor
- 7/16 inch shank

ARBOR FOR H/SAWS 32-102MM QUICK RELEASE

Unit: EA Qty: 1

Part No. HSAB2

- Suitable for heavy-duty cutting of thin metal, stainless steel and hard timbers
- Arbor has quick release locking tangs for larger saws
- Designed for use with high speed, bi-metal holesaws
