

# Cable Clips, Connectors & Screws

*In a convenient range of packaging*

## Convenient storage for cable clips, connectors and screws

Clipsal bring you their popular range of screws, connectors and new, improved cable clips in resealable packaging. These containers are stronger and, being resealable, will ensure your bits and pieces don't get lost in the back of the van. All jars are clear so you can quickly find the screw, connector or cable clip that you need.

In addition to our new packaging, these accessories are still available in traditional header pack poly bags, blister packs and boxes.

Designed to fit  
AS/NZS5000 cable sizes.

### Pan Head Twin Start Needle Point

**357P**

Range: 20-50mm, 6 gauge shank, 6.85mm diameter head.

**357PH**

Range: 12-50mm, 7 gauge shank, 8mm diameter head.

Pan head screws with 6.85mm diameter heads are ideal for directly fixing accessories such as light switches and power points to wall plugs, timber architraves and skirting boards, without interfering with the number '9' cap.

Screws with the 8mm diameter head provide extra support when fixing heavier products such as our 56 Series, without interfering with the interior IP cap.

## Clipsal Cable Connectors

### 563 Single & Twin Screw

Accommodates 2 x 6 sq. mm cables.

Clipsal cable connectors are now more flexible and therefore easier on your fingers and easier to fit into tight J-Boxes. Safety has also been enhanced in the form of a larger insulation cover that shrouds the conductors and cable insulation. The 5mm flat blade access to the terminal screws lets you feel exactly when the terminals are at the correct tension.
