

## 56SW110/2-GY

SWITCH SURFACE PVC 1 GANG 2 WAY 10A.  
56SW110/2-GY REPLACES WISM110-TW

### Main

|                     |                                     |
|---------------------|-------------------------------------|
| Colour              | Grey                                |
| Product brand       | Clipsal                             |
| Device presentation | Basic element with full cover plate |

### Complementary

|                                |                    |
|--------------------------------|--------------------|
| Colour code                    | GY                 |
| Switch function                | 1-pole             |
| Control type                   | Rotary knob        |
| Device mounting                | Surface            |
| Fixing mode                    | By screws          |
| Material                       | PC (polycarbonate) |
| Material                       | PC (polycarbonate) |
| Marking location               | Marking on surface |
| Local signalling               | Without            |
| [Ue] rated operational voltage | 250 V AC           |
| Rated current                  | 10 A               |
| Number of poles                | 1                  |
| Marking                        | ON-OFF             |

### Environment

|                         |                              |
|-------------------------|------------------------------|
| IP degree of protection | IP66                         |
| standards               | AS/NZS 3133<br>AS/NZS 3947-3 |

### Offer Sustainability

|                          |   |
|--------------------------|---|
| Sustainable offer status | Not Green Premium product   |
| RoHS (date code: YYWW)   | Compliant - since 1650 - Schneider Electric declaration of conformity |
| REACH                    | Reference not containing SVHC above the threshold                     |
