Mr Les Blaszczyk
Clipsal Australia Pty Ltd
33-37 Pt Wakefield Rd
Gepps Cross SA 5094

Dear Les,

Electrical Approvals: CEILING ROSE

Four, pillar type terminals on base with various covers
incorporating a cable entry for accepting a range of flexible cords
500 V, 16 A

trade name "Clipsal"

Cat 93 series

PREVIOUSLY ISSUED CERTIFICATE OF SUITABILITY 573

I refer to the application of 23 November 2010, which you submitted on behalf of Clipsal Australia Pty Ltd, requesting approval renewal of the above products.

Approval has been granted and the new Certificate of Suitability 1291 is enclosed, endorsed with the following:

Modification

1. Variations

Cat 93/5 – similar to Cat 93 except 5 terminal in lieu of 4.

Cat 93B - similar to Cat 93 except large cover.

Cat 93B5 - similar to Cat 93/5 except for large cover.

Cat 1920/93 - Heritage range similar to Cat 93, with polycarbonate, brass plated and clear varnished cover.

Cat PS1 – "Pluglit" type comprising detachable, bayonet type plug and associated socket with 4 tunnel type terminals, cord sheath grip, rated at 10 A, 250 V.

2. Mounting Accessories

Cat 93BF - Mounting flange to suit ceiling rose base.

Cat 93ER - Extension ring to suit ceiling rose base.

Please note that with the issue of this new certificate, the previously issued Certificate of Suitability 573 will be cancelled – please return the original and all Continuation Sheets to this office for formal cancellation. **Please also note that we are also awaiting return of other certificates which have recently been cancelled and for which you have been notified by letter.**

You are authorised to mark these products with the marking CS/1291/S. This marking will be recognised for the duration of the associated certificate, subject to any subsequent modifications also being approved.

.../2.

You are advised that the holder of a Certificate of Suitability is responsible for ensuring that all products marketed under the authority of the certificate are of the same standard as the unit approved.

You are also advised that Certificates of Suitability issued by us will remain in force for five years from the date of issue of the certificate unless cancelled.

It is the approval holder's responsibility to ensure that approval of the products is renewed before the five-year period expires.

Our Accounting Department will render an account for the application fees, order no. 10314.

Yours sincerely

M F Emrose
