

CABLE REEL SHELF

SKU: CRS1000

Price: £45.00

Stock: N/A

Category: [Accessories](#)

Product Description: Great for Easy and Neat Cable Management to prevent cables from getting tangled, designed to fit within our 1000mm shelving systems. The unit has two configuration options. Manufactured from 25mm heavy duty tubular steel.

1. Spindle mount - for cardboard lightweight reels that would crumple if supported under their own weight.
2. Cradle support for heavy duty reels made of plywood or plastic.

Both options are available by simply relocation one support tube to suit the required option. **Dimensions** Width - 976mm Depth - 400mm Height - 250mm Please note the surrounding rack assembly is not included with this product |
