

56C332LE-RW  
SWITCHED SOCKET SURFACE IP66 3 PIN 32A  
LESS ENCLOSURE

Main

|               |                          |
|---------------|--------------------------|
| Colour        | Resistant white electric |
| Product brand | Clipsal                  |

Complementary

|                                |                    |
|--------------------------------|--------------------|
| Colour code                    | RW                 |
| [In] rated current             | 32 A at 250 V      |
| Number of modules              | 1                  |
| Number of poles                | 3                  |
| Number of power socket outlets | 1 protective cover |
| [Ue] rated operational voltage | 250 V AC           |
| Depth                          | 45 mm              |
| Width                          | 101 mm             |
| Height                         | 198 mm             |

Environment

Offer Sustainability

|                                  |                                                                       |
|----------------------------------|-----------------------------------------------------------------------|
| Sustainable offer status         | Not Green Premium product                                             |
| RoHS (date code: YYWW)           | Compliant - since 1650 - Schneider Electric declaration of conformity |
| REACH                            | Reference not containing SVHC above the threshold                     |
| Product end of life instructions | Need no specific recycling operations                                 |
