every room, every home

Why

settle

for a mess

when you can have...

Clutter free entertainment

Introducing...

POWERTAINMENT[™]

A power source that will keep your audio and visual equipment area clutter free whilst helping to safeguard against the fire hazards of gathering dust and electrical overloading.

Too often we find ourselves overloading power boards and double adaptors to use all of our entertainment appliances. The more advanced the setup the more power is required. Why not use a product that can provide enough power for six entertainment appliances and enable external connections to pay television or free to air television antennas (Catalogue Number 2025V3/30PF).

Create your own Powertainment[™] Unit

Powertainment[™] can be made up yourself with the 2000/4 surround and your choice of configuration. Options available are:

1. Coaxial and data (2032TVFRJ)
2. Data (2031VRJ)
3. Double data (2032VRJ)
4. Double coaxial (2032TVPF)
5. Double powerpoint (2025V)
6. Coaxial (2031TVPF)

Catalogue Number 2025V3/30PF

For added reliability, Powertainment[™] can be installed on wall boxes with segregation barriers or additional insulating shrouds can also be purchased separately:

2157/4SB1 Wall box

90FS (TV Mechanism Shroud)

90B (GPO Shroud)

To help assist with the installation into your home, Powertainment has many mounting options:

Wall box- 2157/4

Mounting bracket- 2155P4

Mounting clip- 2154/4

POWERTAINMENT[™] is available now from your local electrician or electrical wholesaler.
