

Linea Double Powerpoint with extra switch

CAT NO. **LN777X**

Designed with fine lines for a shadowless appearance, HPM's Linea captures the essence of surface beauty

- Selection of colours - white, black and cream
- Low profile of 4mm - blends into wall surfaces
- Removable coverplates available in a selection of metallic, earth and bright colours
- Extra removable switch mechanism - any 770 series of switch mechanism can be inserted, making it a very flexible product that is ideal for kitchens requiring 35A isolating switches for electric cooktops
- Fits into 84mm standard mounting bracket
