SWFFC02

F CONNECTOR INSERT 2.4GHZ WE

SWFRFT1

F TYPE RF LINE TERMINATOR 75 OHM

HPM has added the above cable and Pay-TV connectors to its TV, data & communication range. These items are **Foxtel compatible and approved**, see Foxtel approval no. below.

SWFFC02 and **SWFRFT1** can be utilized to replace **800F** and **1313T** respectively when Foxtel compatibility is required.

Features:

SWFFC02

- Rated at 2.4GHz
- Comes with white adaptor to suit HPM's wall plates.

SWFRFT1

- Proper impedance matching for minimum reflection and interference.
- Maintains good signal to noise ratio.

Benefits:

- These connectors are Foxtel approved for the increasing demands of cable and Pay-TV applications.
- Good quality and economical items for compliance and future proofing.
- They enhance and help complete HPM's range of wall connectivity.
