1000T

Trailing Edge Dimmer 1000W

Cat 1000T is a new trailing edge light dimmer with improved features, see list below. It is designed to be used with electronic transformers for low voltage halogen downlights, as well as incandescent lamps.

Key Features & Benefits

- *Quiet operation, without buzzing.*
- *Immune to flickering due to off-peak ripple signal.*
- *1000W dimmer suitable for electronic transformers without need for de-rating.*
- *Soft start – lamp turns on gradually to increase lamp life.*
- *Over-temperature protection – lamp automatically dims if dimmer is overloaded.*
- *Compatible with HPM switch plates – Standard, Excel.*
