

## PRODUCT INFORMATION

### ***XL7775 Series '5-GANGS'***

**Description:** A range of 'five-gang' outlets, incorporating four 10 Amp switched socket outlets (powerpoints) with inbuilt extra modules. The extra modules are: An extra 10 Amp outlet (to make 5x10A), an extra 15 Amp outlet (to make 4x10A + 1x15A), a 10 Amp light switch (to make 4x10A outlets plus 1x10A switch) or two 10 Amp switches (to make 4x10A outlets plus two switches).

**Style:** HPM Excel styling.

**Colour options:** White only. Matt finish.

**Mounting:** Mounts onto a standard, surface-mounting block (supplied). Block fits standard mounting accessories with 84mm mounting centres.

**Additional accessories:** Standard 25mm conduit adaptor supplied, to enable connection of conduit into the mounting block.
