Hills FB902048 1.2m x 16mm
Stay Bars

Hills FB902110 38mm
Stay Bar Collar

Hills FB602594 237mm
Eave Bracket

The Hills range of DIY masting gives you the flexibility to create a custom mounting solution. A range of options are available and can be used on eave, fascia, brick, tile and tin roofs.

Hills also offers a range of stay bars that help to support and brace our masts when they are particularly tall and subject to movement due to wind.

The masts are available in silver with a hot dipped galvanised steel finish for superior corrosion protection.

The staybar collars are available in gold with a zinc plated finish.

Specifications

Models Available		Length (m)	Diameter (mm)	Thickness (mm)	Plane	Colour	Finish	
FB602376	Vertical Standoff Arm Mount	0.4	25	1.2	Another Mast	Silver	Galvanised Steel
