

MONObox™ – Telecommunications/Electrical

Cubis Systems manufactures and supplies a range of infrastructure products.

Many installations require rotationally moulded plastic cable pits. Cubis have an extended range of MONObox™ plastic pits available, together with a range of circular service pits and cable entry ducts. Additionally, Cubis offers a large range of precast concrete telecommunication, electrical and communication pits combined with the resources to design and manufacture pits and access covers to suit customer requirements.

P1 Pit

Product code: 124000

P1 Access Covers

P1 Concrete Cover Telstra: 521110

P1 Concrete Cover Electrical: 521125

P1 Concrete Cover Communications: 521120

P1&3 Pit

Product code: 124050

P1&3 Access Covers

P1&3 Concrete Cover Telstra: 521090

P1&3 Concrete Cover Electrical: 521089

P2 Pit

Product code: 124015

P2 Access Covers

P2 Composite Cover Telstra: 410145C

P2 Concrete Cover Electrical: 521165

P2 Concrete Cover Communications: 521155

P3 Pit

Product code: 124020

P3 Access Covers

P3 Concrete Cover Telstra: 521210

P3 Concrete Cover Electrical: 521230

P3 Concrete Cover Communications: 521220

P4 Pit

Product code: 124025

P4 Access Covers

P4 Composite Cover Telstra: 410250C

P4 Concrete Cover Electrical: 521265

P4 Concrete Cover Communications: 521260
