

Terminal, QC, PE, 18 connect.

KN18E

Technical Properties	
Protection index IP	2
Rated current	63 A
Operating temperature	-5 to 40 °C
Nominal voltage	230 V
Rated insulation voltage	400 V
Width of installed product	75 mm
Height of installed product	33 mm
Length	75 mm
Depth of installed product	34 mm
Copper weight of the product	0,018 kg
Material	Polyamid (PA)
Colour	green/yellow
