

Fus.-swi.-disconn. LT size 2 mon.pl. M10

LT250

Technical Properties

Fuse Size	NH2
Rated current	400 A
Rated impulse withstand voltage	8000 V
Electric endurance in number of cycles	200
Number of mechanical operations	800
Connection cross-sect. rigid cable	70 / 300mm <sup>2</sup>
Connection cross-sect. flexible cable	70 / 300mm <sup>2</sup>
