

## SPD 1P pluggable 40kA ind.

SPN140D

### Technical Properties

|   |                       |
|---|-----------------------|
| Number of modules                                   | 1                     |
| Type of pole  | 1 P                   |
| Protection index IP                                 | IP20                  |
| Max discharge (Imax) or impulse (Iimp)              | 40 kA                 |
| Indicator lamp                                      | end of life indicator |
| Rated operational voltage Ue                        | 230 V                 |
| Frequency   | 50/60 Hz              |
| Maximum continuous operating voltage Uc             | 275 V                 |
| Voltage protection level Up according to IEC61643-1 | 1,2 kV                |
| Nominal discharge current (In)                      | 15 kA                 |
| Test class IEC61643-1 / VDE0675-6                   | 2/ C/ T2              |
| Operating temperature                               | -40 to 55 °C          |
| Connection cross-sect. rigid cable                  | 35mm <sup>2</sup>     |
| Connection capacity with rigid cable for earth      | 35 mm <sup>2</sup>    |
| Connection cross-sect. flexible cable               | 25mm <sup>2</sup>     |
| Connection capacity with flexible cable for earth   | 25 mm <sup>2</sup>    |
| Tightening torque                                   | 3,6Nm                 |
