

TIGER SNAKE - POLYESTER

Enjoy the same features of our Push-Pull rods coiled in convenient PVC dispensers.

SOME OF THE FEATURES INCLUDE:

- Extremely portable and lightweight
- Comes coiled in a PVC dispenser, 160mm in diameter
- Comes with special bronze terminals and large pulling head
- Bright yellow polyester coating eliminates the possibility of shattering and is self lubricating
- Standard Polyester Tiger Snake available in increments of 20m, 30m and 50m
- Very flexible and does not kink when rigid
- For use above false ceilings, inside walls and under floors
