

G1 & G2 OUTLETS

G1 Shown

Small and discreet the floor service outlet box is a simple and cost effective solution in floor mounted outlets from CMS.

With a smart stainless steel cover there is no need for cut outs as this floor outlet screws on top of the floor or on the work surface. The standard 2 compartment G1 and G2 is designed for the mounting of standard outlets sold separately.

The newly released G1-Mini comes complete with two CMS 10amp GPOs.

SOME OF THE FEATURES INCLUDE:

- Floor outlet units available in 2 or 4 compartment
- Easy installation
- Removable dividers
- 25mm cable entry holes
- Stainless steel finish

G1 OVERALL DIMENSIONS:

- 2 COMPARTMENT - 120mm x 85mm x 77mm

G2 OVERALL DIMENSIONS:

- 4 COMPARTMENT - 240mm x 85mm x 77mm

G1-MINI OVERALL DIMENSIONS:

- 2 COMPARTMENT - 58mm x 64mm x 100mm
