# HAND DRYERS

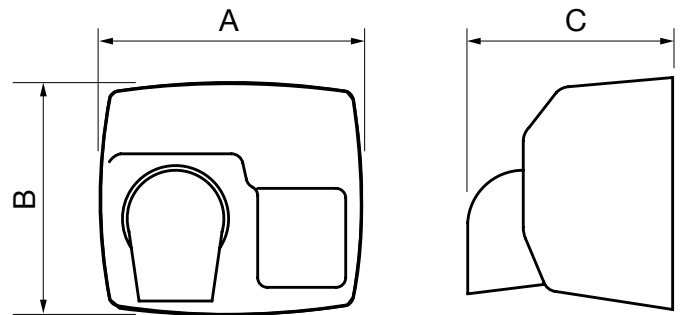

Available in white or brushed chrome, our automatic hand dryers provide a cost effective and hygienic means of no-touch hand drying. Suitable for public amenities, food prep areas, hospitals and schools.

- Available in white epoxy paint or brushed chrome finish.
- Automatic infrared on/off activation.
- 360° nozzle rotation to provide face or hand drying.
- Drying cycle of approximately 15 seconds.
- Self-resetting thermal overload protection.
- Automatic cut-off after 60 seconds of continuous use.
- 220-240V, single-phase, 50Hz.
