

Quick Overview

Utilux Pre-Insulated and Supergrip Crimp Links

Features

Utilux Pre-Insulated and Supergrip Crimp Links

- Solid drawn copper tube
- Electro tinned to minimise corrosion
- Centre dimple to ensure correct conductor traverse inside link
- Vinyl insulation

Details

Part No.	UTIH2072/100
----------	--------------

Brand	Utilux
-------	--------

Pack Quantity	100
---------------	-----

Unit Of Measure	Pack
-----------------	------

Compendium Page #	340
-------------------	-----

Additional Information

Style 1. Parallel splice conductor area shown is total of two (or more) conductors to be connected parallel. Ideal for inline joints between uneven sized conductor - vinyl insulation.

Style 2. Centre dimple to ensure correct conductor positions - vinyl insulation.

Style 3. Supergrip butt splice with translucent insulation (to ensure correct conductor insertion) and depressed centre to enable use in appropriate ratchet crimp tool without removal of stopper.
