

Optimised, user friendly, and ergonomic, the new Viking 3 range of spring and screw terminal blocks replaces the previous Viking range.

The Screw connection range features:

- Identical height blocks from 16mm² - 70mm², 2.5mm² - 10mm²
- Single colour end cap: dark grey
- Direct screwless fixing on DIN rail for protection conductor modules (for pitches 5 to 10)

The Spring connection range features:

- Direct insertion for 5 and 6mm pitch blocks: for rigid conductors and for flexible conductors with ferrules – SAVES TIME
- Integrated end caps for pitches of 6
 - 12, small overall dimensions
 - less products to be stored
- Optimised terminal block size
 - identical electrical characteristics for 5 and 6mm pitch blocks
