

Insulation Tester, Voltmeter 600V AC, 3 & 500 Ohms

Features

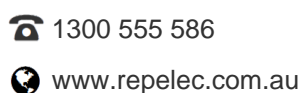

Features & Benefits

- Selectable test voltages: 250V, 500V & 1000V
- Live circuit warning
- Automatic safety discharge once test completed
- Push and turn locking switch for continuous measurement
- CATIII 600V

Details

Part No.	1132IN
Brand	SEW
Unit Of Measure	Each
Carton Quantity	1
