Signalling Devices > Sound Indication > Electronic Sounders > Klaxon Electronic Sounders > Sonos Sounders > Klaxon Sonos with LED Beacon

Representative Photo Only
(actual product may vary based on configuration selections)

Sonos Electronic Sounder, Red base with Red LED beacon on top, 17-60V DC, 32 tones, dB range 93-106, IP65

- Faster and more reliable connections with the TimeSaver base.
- The sounder head 'twists and clicks' into the base on commissioning, avoiding the wiring and connection problems associated with traditional sounders.
- Weatherproof protection to IP65 and can be used in various indoor and outdoor applications
