

Main

Accessory / separate part category	Replacement part
Accessory / separate part type	Potentiometer

Complementary

Potentiometer characteristic	Continuous rotational operation
Internal conversion resistor	22 kOhm

Environment

IP degree of protection	IP65
-------------------------	------

The information provided in this documentation contains general descriptions and/or technical characteristics of the products contained herein. This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications. It is the duty of any such user or integrator to perform the appropriate and complete risk analysis, evaluation and testing of the products with respect to the relevant specific application or use thereof.
