

Patch Panel Cat5e 6 port,
Patch Panel Cat5e 12 port,
Patch Panel Cat6 12 port

CAT NO. **HNAC1000, HNAC1014, HNAC1015**

HNAC1000

HNAC1014

These Patch Panels provide an interface between the Network Enclosure and RJ45 wall outlets throughout a building.

Mounted in the Network Enclosure, the patch panels provide either 6 port (CAT HNAC1000) or 12 port (CAT HNAC1014, HNAC1015) connections, to the wall RJ45 outlets, from application modules which also reside within the Network Enclosure.

Re-configurations of existing systems and re-assignment of cable links to other systems can be achieved easily by re-patching the application modules to patch panels.

Product specifications			
CAT	HNAC1000	HNAC1014	HNAC1015
Descriptions	Patch Panel Cat5e 6 port	Patch Panel Cat5e 12 port	Patch Panel Cat6 12 port
Category	5e	5e	6
No. of ports	6	12	12
Dimensions	162W x 70H x 50Dmm	162W x 148H x 50Dmm	162W x 148H x 50Dmm

Packaging specifications			
CAT	HNAC1000	HNAC1014	HNAC1015
Single bag quantity	1	1	1
Single box dimensions	127W x 80H x 170Dmm	163W x 124H x 174Dmm	163W x 124H x 174Dmm
Single box weight	300g	470g	470g
Single box barcode	9321001390688	9321001390695	9321001390701
