Cat6 Patch Lead 300mm

CAT NO. **HNPL5E300**, **HNPL5E200**, **HNPL6300**

Used in the HPM Home Networks enclosures, this collection of short data patch leads are most useful in patching equipment modules to patch panels for easy assigning of cable links to various applications - such as Telephone, Data, Audio Control and IR Distribution system.

Re-configurations of existing systems and re-assignment of cable links to other systems can be achieved just as easily as re-patching with these leads.
