

Pie Warmer Builders Model

Store and serve hot pies anywhere with ease

The safe, durable and cost effective way to stock and serve beautifully heated pies at your canteen, event, office, café... wherever.

Benefits

Built to last – sturdy stainless steel #430 construction and crumb trays, fixed rack levels and metal lower element

Perfect temperature – European thermostat plus thermometer and temperature display mean your pies are served just right

Safe & stylish – heat resistant ABS control dials and handles, stainless steel sliding doors (1 side), fixed stainless steel back and non-slip rubber feet

Easy cleaning – simply slide out the racks and remove the crumb tray. Removable stainless steel sliding doors and fixed rear panel
