

Tempo Tronic Over-Sink Boiling Water

Boiling water when you need it for kitchens large or small.

Whether you're making tea or cooking pasta, the availability of boiling water when needed is convenient, time-saving and cost effective.

Benefits

When you need it – boiling water available as soon as you need it

Suits your needs – choose from models delivering 8 to 150 cups of boiling water

Convenient – two-way tap makes it easy to fill cups or jugs

Low maintenance – with a stainless steel case and interior tank, it is designed to last

Filter option available – can be supplied with an external 5-micron filter for fresh and healthy filtered boiling water (highly recommended)

Replacement Filter Cartridges –
 - 1311046 for all models

1070086 - 25L	150 Cups	25 Litres	120 Cups/Hr	10 Amps	220-240	2 Bars	10 Bars	630	490	340

*Cup 167ml and glass 200ml. Installation with an external water filter is recommended for protection of the heater and users. Installation with a water filter inhibiting the accumulation of mineral scale is essential in known hard water areas and a sediment filter is essential where water contains excessive sediment. † Depth includes tap.
