

T5 FHE Luxline Plus

T5 FHE Luxline Plus tri-phosphor lamp is the ideal solution for new, slim, aesthetic luminaires. The perfect compliment for the Sylvania SlimLite and SlimDim luminaires, the range features high luminous efficacy of up to 104 lm/W and almost constant lumen maintenance throughout the entire lamp life due to Luxline Plus tri-phosphor technology.

- T5 FHE Luxline Plus triphosphor lamp ideal solution for new, slim, aesthetic luminaires
- High luminous efficacy of up to 104 lm/W
- For electronic ballast operation only
