

FIND THE ARTEOR RANGE ON POWERPLAN

POWERFUL AND EASY TO USE

POWERPLAN & ARTEOR

PowerPlan has been designed to simplify electrical consultations by creating visual floor plans which can be edited in seconds. Created with the builder in mind, it allows consultants to quickly and easily develop an electrical plan prior and during the customer's appointment, allowing for up-sell opportunities.

- Design electrical plans quickly and easily
- Import and print high quality floor plans
- Directly comment on floor plans
- Manage pricing files
- Add and filter your product database through product categories
- Generate accurate quote in seconds
- User friendly visual tool
- Reliable and secure web application

Arteor™ mechanical switches

square version

Support frame and plate selection charts **p. 81 - 83**

Mechanisms supplied with rocker plates, to be equipped with support frames (p. 81) and plates (p. 82 - 83)
