

### 3Ph Kwhmeter direct 100A

EC360

#### Technical Properties

Number of modules	7
Number of poles	3 P
Rated operational voltage Ue	195/400/460 V
Supply voltage	230/400 V +/- 15%
Operating current	0,08/100 A
Rated insulation voltage	4 kV
Total power loss under IN	1,8 W
Frequency	50/60 Hz
Power consumed	7,5 VA
Number of positions total	7
Precision class	B
Protection index IP	IP20
Height of installed product	90 mm
Width of installed product	122,5 mm
Connection cross-sect. rigid cable	2,5 / 35mm <sup>2</sup>
Connection cross-sect. flexible cable	2,5 / 35mm <sup>2</sup>
