(actual product may vary based on configuration selections)

SPECIFICATIONS

Component Type	Power Distribution & Protection	Doors
L99 Application	Stainless steel hinge pin for fitting stainless steel door hinges to stainless steel panel board enclosures	
Installation Notes	Press the shell into the door cut-out until it clips flush with the outer faces of the door. Fit the moulded-end bolt so its hinge-pin hole aligns with those in the shell. With the hook at the top, tap the hinge-pin into place until it is held firm
