(actual product may vary based on configuration selections)

#### SPECIFICATIONS

|  |  |
|--|--|
| Product Series                             | TemBreak 2 MCCB  |
| Details, compatible product series         | General purpose accessory common for MCCBs 125 A to 630 A; mount on left side of MCCB; General purpose and heavy-duty alarm indication switches cannot be mixed in the same MCCB |
| Component Type MCCB                        | Alarm Switch   |
| Un, Nominal Operational Voltage, AC        | 240 V AC   |
| Ie, Rated Operational Current, AC-15, 240V | 2 A@240V   |
| Contact Configuration                      | 1 CO   |
| Colour, Body / Housing                     | Grey & Black colour  |
| Wire / Conductor Size (Min)                | 0.5 mm <sup>2</sup> min  |
| Wire / Conductor Size (Max)                | 1.25 mm <sup>2</sup>   |
| Height                                     | 161 mm   |
| Width                                      | 24.5 mm  |
| Depth                                      | 60 mm  |
| Standards Compliance                       | IEC 61058-1  |
