

**'F' Male to IEC (PAL) Female Adaptor  
(10 pack)  
DA-A3H**

The DA-A3H is a ten pack of 'F' type male to IEC (PAL) female adaptors, which adapt any 'F' type female connector to a PAL female connection. In addition, the DA-A3H can adapt lead ends ready for connection to IEC (PAL) male receivers (tuners, FM 75 Ohm connections, etc.) or any other application where you need to convert an 'F' type female connector to a PAL female connection.

**Features and Benefits**

- » Convenient ten-pack
- » Used to convert 'F' type female connectors to IEC (PAL) female
- » No tools required
- » High-quality nickel-plated finish for long-life corrosion resistance
