

# RG6 IEC (PAL) Male Crimp Connector (10 Pack) DA-P2H

*For the Best*

The DA-P2H is a 10-pack of IEC (PAL) male crimp connectors for RG6 75 Ohm coaxial cables. The DA-P2H is perfect for use with Matchmaster's 06MM-E6T and E6Q series cables for making interconnecting cables or fly leads. In addition, the DA-P2H is the perfect low-cost connector to keep in your kit and is perfectly matched with our 08MM-CT611 hex crimping tool.
