

TECHNICAL DATA SHEET

Product No.3070

CRC Industries (Aust) Pty Ltd

I. Product Description

CRC Glass Cleaner uses a residue-free formula and is versatile and safe enough to use on your most delicate glass surfaces. **CRC Glass Cleaner** is strong enough to quickly cut through the toughest dirt, dust, fingerprint and haze deposits. Additionally, its professional strength, ammonia-fortified formula even contains a foaming agent that allows for greater coverage and less run-off when cleaning vertical surfaces. **CRC Glass Cleaner** is biodegradable, ready to use, foaming, non-abrasive, non-flammable, industrial strength & non-ozone depleting.

II. Applications

CRC Glass Cleaner is perfect for Glass, Fibreglass, Mirrors, Stainless Steel, Polished Metals, Plastic, Chrome & Linoleum.

III. Features & Benefits

- Professional Strength. Formulated for heavy duty, industrial applications.
- Foaming. Clings to vertical surfaces & minimizes run-off.
- Ready-To-Use. No preparation down-time required.
- Readily Biodegradable. Will rapidly break-down to a natural state in the environment.
- Non-Abrasive. Will not scratch or score equipment finish.
- Non-Flammable. Aqueous formulation reduces risk of fire (see MSDS for details).
- Low VOC Content. Reduces contributions to ground smog by volatile organic compounds.

IV. Physical Properties without propellant

Flash Point	None	Boiling Point	100°C (initial)
Odour	Fragranced	Appearance	Clear Liquid

V. Specifications and Approvals

- Classified as readily biodegradable by OECD 301B testing protocols.

VI. Directions

- Product is ready to use. No shaking or dilution is necessary.
- Apply **CRC Glass Cleaner** to surface to be cleaned.
- Wipe clean with a lint-free cloth, sponge or paper towel.
- For very dirty glass surfaces, allow to penetrate the soil for 30 to 60 seconds.

VII. Package Description

Part Number 3070
 Container Size 500gm Aerosol

Product No.3070

VIII. Disposal

Disposal requirements vary by state and local jurisdiction. All used and unused product should be disposed of in conformance with local, state and federal regulations. DO NOT dump in sewers, floor drains, on the ground or into any body of water.

IX. Special Use Warnings

Aerosol Cans

Do not puncture, incinerate or store above 50C. Exposure to high temperatures may cause can to burst. Do not place in direct sunlight or near any heat source. Use only in well ventilated area. Avoid continuous breathing of vapour and spray mist. Avoid contact with skin and eyes. If ventilation is not adequate, respiratory protection should be worn. Aerosol cans will conduct electricity. Keep away from all live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.

General

Use only in well ventilated area. Ventilation may be improved by opening a window or door or providing mechanical assistance. Avoid continuous breathing of vapour and spray mist. Avoid contact with skin and eyes. If ventilation is not adequate, respiratory protection should be worn. For more information regarding short term and long term exposure, review this product's Material Safety Data Sheet. Do not puncture, incinerate or store above 50°C. Exposure to high temperatures may cause can to burst. Do not place in direct sunlight or near any heat source. Aerosol cans will conduct electricity. Keep away from all live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.

PRODUCT WARRANTY: CRC offers a conditional warranty on this product for the period of 5 years from the date of manufacture.

DISCLAIMER: All information on this data sheet is based on testing by CRC Industries (Aust) Pty Ltd. All products should be tested for suitability on a particular application prior to actual use. CRC Industries (Aust) Pty Ltd makes no representations or warranties of any kind concerning this data.
