HEAT LAMP

240V	275W E27 R125 Clear	275HEAT
240V	275W E27 R125 Clear Silicone Coated	275HEATSIL

Note:

Dimensions: 185mm x 127mm.

275HEATSIL features a silicon coating. This in effect ensures the heat lamp will not shatter if dropped. Lamp is also suitable and meets the regulations in place for food preparation areas. Now an added protection in bathroom applications, if required.
