

Product Characteristics

Part Number: REPDLWS-1P

SIGN DOWNLIGHT SINGLE WARNING WITH ALERT WARNING

Description:

Where recessed luminaires are installed in an accessible roof space, a permanent and legible warning sign needs to be installed in the roof space adjacent to the access panel, in a position that is visible to a person entering the space. The sign shall comply with AS 1319 and contain a minimum size of lettering of 10 mm. Each sign has been manufactured using flexible yet durable plastic that will not only prevent personal injury to any person in the roof, it will not break, tear or deteriorate like paper or cardboard from rough handling, impact, moisture or vermin.
