

# Product Characteristics

**Part Number: ACO77402**

BRASS PLATE - COMMUNICATIONS

---

## Description:

The contents of an electrical pit are normally marked on the pit cover. ACO's concrete and Polymer Concrete covers have either 'Electricity' or 'Communications' cast into the cover top surface or alternatively, covers are available with no marking. Solid steel cover markings are available by means of an engraved brass plate, riveted to the top of the cover. Brass plates are engraved with 'Electricity' or 'Communications' for example.

Attribute Name	Attribute Value
Material	Brass
Waterproof	Yes
Text	COMMUNICATIONS
Weight	50

Classifications	
ETIM	EC001777
UNSPSC	55121704
