

P 0407 Multimeter Test Probes 1000V 10A

IEC 61010 Compliant Test Lead
UL Listed

Material :

Probe Body : Outer Insulation-Rubber, Color : Gray

Wire : Tinned copper stranded, Silicone Rubber, Insulation

Length : 110cm

Banana Plug : Body Brass, Nickel Plated

Spring Beryllium Copper, Nickel Plated

Insulation : Polypropylene Resin Flame Retardant Grade UL94V-0

Rating :

IEC 61010-031 CAT II

Operating Voltage : 1000V DC

Current : 10 Ampere

CE Rated

Included a set of one black and one red test lead
