# Flat Coupler Panels

PNL-SC12-S-F1/12

PNL-ST12-F
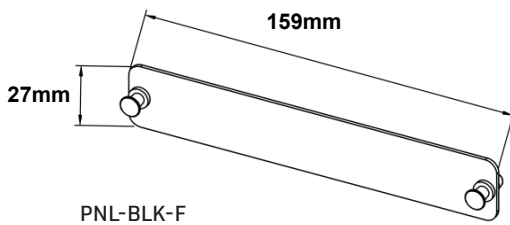

PNL-SC12-D-F1/12

PRODUCT INFORMATION

MSS Flat Coupler Panels support a wide variety of panel configurations including ST Simplex, SC Duplex, SC Simplex, LC Duplex and also numbered if required. Our coupler panels are made from steel and clip into the MSS Rack Mount and Wall Box range of modular Enclosures.

They use simple but effective push and pull locking clips to secure. Custom configurations are available.
