

13 TONNE HYDRAULIC CRIMPER - BATTERY POWERED

The new MSS 'Platinum series' battery powered hydraulic crimper has been designed to quickly and easily crimp electrical connectors up to and including 400mm² Cu. It has an industry exclusive automatic two speed pump design, delivering rapid advance, combined with unmatched high force crimping speed, up to 300% faster than other brands* worldwide.

The sturdy steel trigger guard helps to protect the trigger from unintentional operation and field knocks. Each tool is supplied with a 220V charger, 2 x re-chargeable batteries and a heavy-duty road case. The crimping dies are supplied separately.

ORDERING INFORMATION

Part No. MSS-C130-42-18V

FEATURES

- Industry exclusive mechanical 'Visual Pop-Up Indicator', driven directly from the relief valve assuring a correct crimp each and every time * Patent pending
- Audible 'Click' indicator – assuring correct crimp pressure
- Industry exclusive MSS design head and piston, completely removing all retract pinch points, for ultimate safety *Patent pending
- Pressure biased release valve for easy piston retraction
- Partial piston retract speeds the crimp cycle time saving battery life

TECHNICAL DATA

APPLICATION RANGE		
	Up to 400mm ² Cu	
	Up to 300mm ² Al	
CRIMPING FORCE		
	130 kN (14.6 sh ton)	
OPERATING PRESSURE (MAX)		
	700 bar (10,000 psi)	
	Safety Relief Valve fitted	
DIMENSIONS		
Length:	425mm	
Width:	73mm	
Height:	290mm	
Weight:	7.2kg (15.8 lbs)	
Motor:	18v DC	
Battery Voltage:	18v Li-ion	
Battery Charger Supply:	220-240v 50Hz	
Recommended Oil:	Shell Tellus TX32 or equivalent	
KIT INCLUDES		
18V Crimping tool 2 x Rechargeable battery packs -18V 5Ah 1 x 220V battery charger Shoulder strap Heavy-duty road case		

In support of our policy of continuous product improvement we reserve the right to change materials and specifications without notice. Drawings, where used, are not to scale. All dimensions are in millimetres and sizes given are approximate. Where possible, technical MSDS data sheets are made available on the website. All products should be installed and used in accordance with manufacturer's instructions provided. Warning: products may be the subject of registered designs and patents.
