

Product: **Draftstopper Fan**

Catalogue No: **DS250**

Description: Ceiling Exhaust Fan
with Built-In Draftstopper 250mm (10")

Key Features

- Ball Bearing Motor
- Continuous Running
- Suitable for Restricted Areas

Description

These fans are approved for use in shower recesses and similar restricted areas.

The built-in gravity controlled draftstopper ensures the air in your room doesn't escape when the fan is not in use.
