

Product No: RV8H-L-AD24

IDEC INTERFACE RELAY 6mm SPDT 24V AC/DC SCREW TYPE 6A CONTACT RV8H-L-AD24

FEATURES

- Gold-plated contacts
- Universal screw terminals
- Universal AC/DC socket with built-in surge suppression and green LED
- Lever for easy locking and removal of relay

General Information

Brand	IDEC
Product Type	Slim-Line Interface Relay
Series	RV8H

Technical Attributes

Coil Voltage AC/DC (V)	24
Contact Configuration	SPDT
Contact Material	AgNi (Au plated)
Dielectrical Strength (kV)	4 (Between Contact and Coil), 1 (Between Poles)
No. of Poles	1P
Rated Current (A)	6
Terminal Type	Screw

Physical Attributes

Mounting Type	DIN Rail
Operating Humidity	5 to 85% (no condensation)
Operational Temperature Range (°C)	-40 to +70

Dimensions

Dimensions (mm)	6 (Width)
Weight (kg)	0.03

Protection & Standards

Degree of Protection

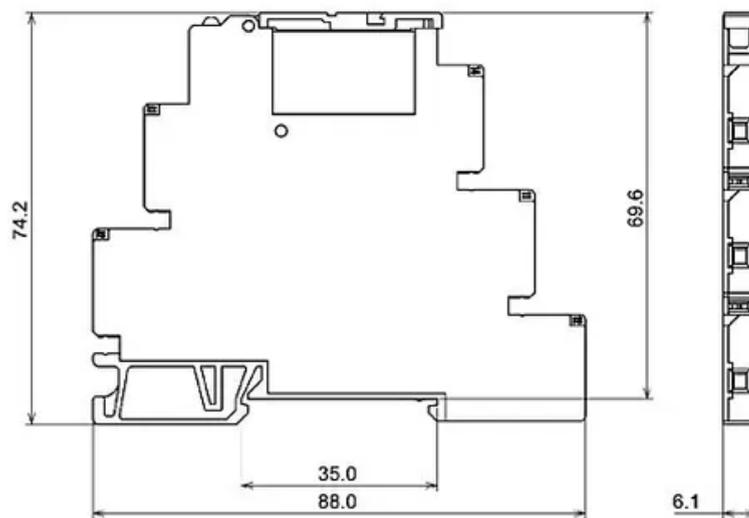

IP20
