

1RU HORIZONTAL 24 SLOTS CABLE MANAGEMENT RAIL

PART NUMBER: **CMR-1RU-24**

PRODUCT DESCRIPTION

The CMR-1RU-24 Horizontal Cable Management Rail is compatible with all 19-inch racks. They are designed with 24 slots and used to cable manage between your network components and equipment. The rail offers a series of slot on either side to help you route your cables and reduce cable strain in the process.

The panel also comes included a cover to hide the managed cables. Ensuring your installation looks clean and professional.

Made of high-quality metal, the cable management rail is a durable solution for your wiring closet.
