

WAGO SUBMAKER QUADRO

MULTIFUNCTION SWITCHBOARD KEY

Item No. 888-777/000-039

8+2 Different Locks in One Key

Thanks to a 2-fold rotating mechanism, eight different locks can be used in just one tool and for your convenience the new magnetic 1/4 plug receptacle, which is a plug on and hold of a 1/4 bit recording on the body of the SuBMaker Quadro now also makes it a ten lock key.
