

RTX8827G | RTX8827S | RTX8827V

RTX Series is a pre-configured floor standing cabinet range ready for delivery. RTX cabinets are the perfect solution for educational facilities, small to medium size businesses, low density commercial applications and communication rooms.

The series has three door options available and many standard inclusions, comprising power distribution units, fans, shelves, and vertical cable management systems.

The Cabinets are supplied fully assembled enabling quick installation and easy maintenance with the added benefit of time and cost savings.

**Features**

- > Doors open to 180 degrees with quick release hinge
- > Glass, Steel or Vented front door options
- > Vented front doors are curved with 70% perforation (protrudes 50mm)
