

Cartridge 8kA 255V

SPN008D

Technical Properties

| | |
|--|-----------------------|
| Number of modules | 1 |
| Number of poles | 1 P |
| Max discharge (I _{max}) or impulse (I _{imp}) | 40 kA |
| Indicator lamp | end of life indicator |
| Rated operational voltage U _e | 230 V |
| Frequency | 50/60 Hz |
| Maximum continuous operating voltage U _c | 275 V |
| Voltage protection level U _p according to IEC61643-1 | 1 kV |
| Nominal discharge current (I _n) | 15 kA |
| Test class IEC61643-1 / VDE0675-6 | 2/ C/ T2 |
| Operating temperature | -40 to 55 °C |
